WHAT is Director Fiduciary Duty?

- Duty to avoid conflict of interest
- Duty to act honestly
- Duty to be diligent and perform duties with care

Example of Fiduciary relationships

- Client and his lawyer
- Patient and Doctor
- Director and Company

HOW to avoid possible of breach of Fiduciary Duty?

Decision making structure is play important role here.

Check company constitution:

- how many quorum (normally is 2) required
- type of resolution required to approve (ordinary / special)

As old said, **TRUST** is better than precaution, so relationship between director and company must be build on the TRUST basic ...
